I hereby authorize Tow Pros Towing (TPT) to remove vehicles from our property located at

All expenses incurred for the removal of said vehicle(s) shall become the sole responsibility of the vehicle's owner. If the property owner requests a vehicle to be towed and a mistake made by the property owner, the property owner is responsible to pay a fee of \$69.55 for the tow.

I understand as the property owner or manager that I am not required to give a warning before a vehicle is towed. However if it is our policy to warn the vehicle's owner first, than appropriate measures will be taken. I am also responsible for the proper signage in order for the tow to be valid and lawful (proper signage means a sign must be placed at all entrances to the location at eye level).

TPT is responsible for any and all damage that may occur while removing vehicle(s) from the property. It is also TPT's responsibility to maintain a secure lot for said vehicles. TPT is also responsible for reporting said vehicles to the proper authorities, and will not hold the property owner responsible for any violations concerning reporting of the towed vehicles.

\_\_ I would like TPT to randomly check the premises and tow vehicles that are illegally parked and/or do not meet the following criteria

\_\_\_\_\_

\_\_ I would like TPT to tow vehicles that are authorized by personnel outlined below. Furthermore when reporting such vehicles, make, model, color and license plate number must be supplied, as well as the location of the vehicle and the reason for tow.

Any cancellation of this contract must be sent to TPT 30 days prior to cancellation the requested cancellation date.
